"Top recommendation, great experience!"

We really enjoyed the 12-day trip across this wonderful country with our driver Luke. He not only drove us, but also told us about the country and its people and was very attentive to our needs. Communication with his boss Michael was also great! He always responded very quickly and professionally. From the beginning with a warm welcome from both of them, we felt very well taken care of. Highly recommended!!

Response from Michael Fernando, Founder of Step Lanka Tours:

Dear Guest,
Thank you so much for this incredible review! We are absolutely thrilled to hear that you had such a memorable 12-day journey across Sri Lanka. I will be sure to pass your wonderful words along to Luke—he will be delighted to know that his safe driving and attentiveness made such a positive impact. Providing a seamless, warm, and professional experience is exactly what we strive for at Step Lanka Tours. It was a true pleasure hosting you, and we would love to welcome you back to our beautiful island soon!
